<p>graduation; and</p>	<p>equivalent diploma or degree.</p> <p>(2) For the purposes of subparagraph ii of paragraph 1 of subsection (1), a diploma or degree is equivalent if it offers courses in the areas listed in the Schedule. O. Reg. 833/93, s. 1 (2).</p> <p>(3) Paragraphs 1 and 2 of subsection (1) do not apply to an applicant who is registered with the statutory regulator of denturists in another jurisdiction in Canada in which the occupational standards and requirements of denturism are, in the opinion of the Registration Committee, substantially equivalent to those of Ontario. O. Reg. 225/03, s. 1 (2).</p> <p>2.4 The applicant must deliver his or her original diploma in denture therapy or denturism and documentation identifying the applicant personally to the Registrar if the applicant did not receive a diploma in denture therapy or denturism from George Brown College of Applied Arts and Technology.</p>	
<p>(ii) Successful completion of a qualifying examination in denturism set or approved by the Registration Committee; or</p>	<p>1(1)2 The applicant must have successfully completed the qualifying examination in denturism set by the Council within 12 months of the application.</p>	
<p>(b) Current registration as a denturist in good standing in another Canadian jurisdiction in which the practice of denturism is regulated by government legislation, in which case, the applicant must have:</p> <p>(i) a letter of good standing satisfactory to the Registration Committee;</p>		<p>As per Health Professions Procedural Code section 22.18(5)2</p>
<p>(ii) undergo a criminal background check; and</p>		<p>As per Health Professions Procedural Code section 22.18(5)1</p>
<p>(iii) Demonstrate knowledge of Ontario jurisprudence.</p>		<p>As per Health Professions Procedural Code section 22.18(5)3</p>

		The same level of knowledge as an Ontario registrant.
12. If the applicant is applying for a certificate of registration in accordance with section 11(b), the applicant's license or certificate of registration in another Canadian jurisdiction must not be encumbered or restricted in any way and the applicant must not be the subject of a discipline or fitness to practice order or ongoing investigation or interim order or agreement as a result of a complaint, investigation or proceeding in any other jurisdiction.		As per Health Professions Procedural Code section 22.18(7)1
13. An applicant's application for a certificate of registration expires if the applicant does not initiate the qualifying examination within 12 months of the date at which the application was signed, unless otherwise determined by the Registration Committee.		In keeping with examination protocol.
14. An applicant's application for a certificate of registration expires if the applicant does not continually participate in the qualifying examination process from the first available opportunity until it is successfully completed or, if the applicant is unsuccessful after the maximum number of attempts available to him or her as established by College policy, unless otherwise determined by the Registration Committee.		In keeping with examination protocol.
15. The applicant may be permitted a final attempt at successfully completing the qualifying examination, at the discretion of the Registration Committee, who may impose remedial conditions before permitting the final attempt at successfully completing the qualifying examination.		In keeping with examination protocol.
16. An applicant must register with the College within 6 months of receiving notification of having successfully completed the qualifying examination; otherwise the application for a certificate of registration will expire.		To ensure the registrant's knowledge and skills are current. Provides the candidate with the opportunity of finding a suitable work place before registering.
17. An applicant must be registered under the Active registration category within 12 months of receiving notification of having successfully completed the qualifying examination, otherwise the application for a certificate of registration will expire.		To ensure the registrant's knowledge and skills are current.
18. For the purposes of sections 16 and 17, an applicant will be deemed to have received notification of having successfully completed the qualifying examination, 5 business		

days from the date such notice was mailed to the address on the application for the certificate of registration.		
19. A member is required to renew his or her certificate of registration with the College each year in accordance with the registration process and policies set by the College.		
20. The College may refuse to issue or renew a member's certificate of registration or permit an Inactive member to convert to Active member status, and deem the certificate of registration to have expired on the date the annual fee is due, in the following circumstances: (a) The member has had fewer than 1,500 hours of Active Practice in the preceding 3 years; (b) The member has not taught denturism at an accredited institution within Canada for a period of at least 12 months in the preceding 3 years and has not demonstrated Active Practice for a period of at least 12 months in the preceding 3 years; (c) The Registration Committee required the member to complete the College's qualifying examination and the member failed to successfully complete the most recent qualifying examination; or (d) The Registration Committee required the member to complete remedial courses and the member failed to successfully complete those courses.	3.3. After the second anniversary date of its issue, the certificate of registration expires on the date the annual fee is due unless the member,  i. has engaged in the practice of denturism for at least 1,500 hours in the preceding three years, ii. has successfully completed the most recent qualifying examinations in denturism set by the Council, iii. has successfully completed, in the preceding six months, the courses set by the Council, or iv. has taught denturism at an institution referred to in paragraph 1 of section 1 for a period of at least twelve months in the preceding three years.  3.4. The member shall submit a completed annual information return to the Registrar together with the annual fee.	
21. A member who returns to the Active member status from the Inactive member status must remain as an Active member until the member has accumulated 1,500 Active Practice hours, unless otherwise determined by the Registration Committee.		Clarifies requirements for returning to Active practice.
<b>CERTIFICATES OF REGISTRATION – TEACHING CLASS</b>  22. The following are the non-exemptible requirements for issuing a Teaching certificate of registration:	4. Despite section 1, the Registration Committee may issue a certificate of registration that will expire after a period of no more than thirty days to an applicant who,

(c) The applicant must provide a written undertaking, signed by a current member in good standing of the College holding a General certificate of registration, stating that the member will provide continuing care for the patients attended to by the applicant in Ontario.	4(c) provides a written undertaking given by a member to supervise the applicant and be responsible for providing continuing care for patients attended to by the applicant in Ontario. O. Reg. 833/93, s. 4.	
23. A Teaching certificate of registration may be issued for no more than 30 days.	4(b) has an appointment to teach a brief continuing education program in denturism primarily for denturists; and	
24. An applicant may not apply for more than 3 teaching certificates of registration for each 12 month period.		
<b>EXPIRATION, RESIGNATION, SUSPENSION, REVOCATION</b>		Formalizes current CDO practices.
25. A member who resigns or whose certificate of registration is suspended or revoked must return his or her certificate of registration to the College at the Registrar's request.		
<i>Expiration</i> 26. An applicant whose application for a certificate of registration has expired must submit a newly completed application and registration fee to the Registrar in order to re-apply for a certificate of registration.		
27. An applicant whose application for a certificate of registration has expired must also provide proof that he or she has attended 1 full year at a denturism program accredited by the College or at any other program or institution that, in the opinion of the Registration Committee, was substantially equivalent to denturism programs accredited by the College, in order to re-apply for certification.		
<i>Resignation</i>		

<p>28. A member may resign any class of certificate of registration by providing the Registrar with written notice to that effect.</p>		
<p>29. The member's resignation shall take effect on the day that the written notice described in section 28 is received by the Registrar.</p>		
<p><i>Suspension</i></p> <p>30. The Registrar may suspend a member's certificate of registration if the member:</p> <p>(a) Ceases to be a Canadian citizen or permanent resident of Canada or ceases to have authorization under the <i>Immigration Act</i> (Canada) to engage in the practice of denturism in Canada;</p>	<p>3.2.
